

# READY FOR? EXCELLENCE!

Our company, parsionate GmbH, with locations in Stuttgart and Hamburg, is focused on developing specific concepts for its clients in order to meet all requirements of their omnichannel strategy as well as to implement them based on well-established standard software products. parsionate was founded in 2013 by several longstanding consulting experts and is one of the leading companies for omnichannel commerce, MDM/PIM and e-commerce in Europe.

To strengthen our teams in **Stuttgart and Hamburg** we are looking for

## **(SENIOR) BUSINESS CONSULTANTS (m/f)** **MDM, PIM, E-Commerce**

### **Tasks:**

- Consulting and conceptual design projects involving MDM, PIM and omnichannel commerce
- Support customers to optimize and streamline their business processes, to manage requirements and to create functional specifications
- Conduct workshops with senior colleagues based on a proven consulting methodology
- Work with our customers to identify and analyze possible solutions and implement them based on the chosen software products
- Assume responsibility within the parsionate team in order to achieve our customers' business goals

### **Requirements and qualifications:**

- Degree in Computer Science, Business Information Systems, Industrial Engineering or Business Administration with a focus on Information Technology or related field
- Experience as IT consultant
- Experience in master data and product information management, e-commerce, print publishing or mobile solutions
- Consultant with a strong understanding of technology
- Preferred: knowledge of business processes in the area of technical retail, mail-order business or industry
- Business-level fluency in German and English
- Willingness to travel, high quality awareness and personal commitment
- A high level of initiative and self-motivation, strong analytical and conceptual skills, excellent communication, persuasion and assertiveness skills
- Ability to focus on the customer goals and requirements
- Dependable, flexible team player

### **What we offer:**

- A successful and motivated team
- Work with the best colleagues in a flat organizational structure with a lot of fun
- Take your own decisions while working on a variety of exciting and interesting tasks
- Excellent, technically up-to-date opportunities for further development
- Work in interesting national and international projects for the market leading enterprises
- Creative freedom for you to share and implement your own ideas and to assume responsibility
- Excellent career development opportunities in a fast-growing company and a competitive compensation and benefits package
- More than a job

Are you looking for an exciting challenge? Are you a cheerful, outgoing and reliable person? Do you enjoy working with a great team? Do you have excellent communication and organizational skills and pride yourself on your razor-sharp analytical skills? Do you love dealing with customers, colleagues and business partners and are you always in control even when things get tough? If you have answered 'yes' to all of the above questions, then please send us your application!
