

READY FOR? EXCELLENCE!

Our company, parsionate GmbH, with locations in Stuttgart and Hamburg, is focused on developing specific concepts for its clients in order to meet the multiple requirements of their omnichannel strategy as well as to implement them based on well-established standard software products. Parsionate GmbH was founded in 2013 by several long-standing consulting experts and is one of the leading companies for omnichannel, MDM/PIM and e-commerce in Europe.

To strengthen our team in **Stuttgart** we are looking for

(BUSINESS/TECHNICAL) DATA ANALYSTS (m/f)

Tasks:

- Consulting and conceptual design projects involving MDM, PIM and omnichannel commerce
- Support customers to optimize and streamline their business processes, to manage requirements and to create functional specifications
- Consulting, design and optimization of data governance policies
- Implementation and presentation of data profiling results with the help of enterprise solutions
- Participation in and moderation of DQ workshops
- Conception and realization of customer specific DQ rules

Requirements and qualifications:

- Degree in Computer Science, Business Information Systems, Software Engineering or related education in Software Engineering/Consulting
- Experience in Data Governance, Business Intelligence or Data Warehouse
- Knowledge in one or several leading Data Quality-solutions (Informatica, Trillium, Ataccama, Talend)
- Preferred: knowledge of Java, XML-technologies, web services and relational data bases, like Microsoft SQL-Server or Oracle
- Preferred: experience in integration of standard software
- Business-level fluency in German and English
- Willingness to travel up to 50%

What we offer:

- A successful and highly motivated team
- Work with exceptional colleagues in a flat organizational structure and lots of fun
- The chance to take over responsibility for a variety of exciting and interesting tasks
- The opportunity to participate in national and international projects with industry leaders
- Creative freedom for you to share and implement your own ideas and to assume responsibility
- Excellent career development opportunities in a fast-growing company and a competitive compensation and benefits package
- Much more than only a job!

Are you looking for an exciting challenge? Are you a cheerful, outgoing and reliable person? Do you enjoy working with a great team? Do you have excellent communication and organizational skills and pride yourself on your razor-sharp analytical skills? Do you love dealing with customers, colleagues and business partners and are you always in control even when things get tough? If you have answered 'yes' to all of the above questions, then please send us your application!
