

READY FOR? EXCELLENCE!

Our company, parsionate GmbH, with locations in Stuttgart and Hamburg, is focused on developing specific concepts for its clients in order to meet the multiple requirements of their omnichannel strategy as well as to implement them based on well-established standard software products. Parsionate GmbH was founded in 2013 by several long-standing consulting experts and is one of the leading companies for omnichannel, MDM/PIM and e-commerce in Europe.

To strengthen our teams in **Stuttgart and Hamburg** we are looking for a

(SENIOR) SOFTWARE DEVELOPER (m/f)

Tasks:

- Designing and implementing customizations, enhancements and add-ons for standard software
- Designing and implementing interfaces
- Designing and implementing customized software solutions
- Designing and performing data migrations
- Performing functional and system tests
- Creating technical documentation, such as system documentation, installation guides or operations manuals

Requirements and qualifications:

- Degree in Computer Science, Business Information Systems, Software Engineering or related education in software development
- Highly proficient in object-oriented development – ideally in Java
- Experience in web application development using state-of-the-art frameworks
- Experience in XML technologies, XSLT, database technologies (SQL server/ORACLE) and web services
- Ideally, experience in RCP programming and/or integration of standard software
- Business-level fluency in German and English

What we offer:

- A successful and highly motivated team
- Work with exceptional colleagues in a flat organizational structure and lots of fun
- The chance to take over responsibility for a variety of exciting and interesting tasks
- The opportunity to participate in national and international projects with industry leaders
- Creative freedom for you to share and implement your own ideas and to assume responsibility
- Excellent career development opportunities in a fast-growing company and a competitive compensation and benefits package
- Much more than only a job!

Looking for a challenge? Are you generally optimistic, open-minded, communicative and straightforward? Do you enjoy working in a great team? Do you have strong analytical and conceptual skills and do you feel confident in implementing and deploying solutions? Do you love coding and working with colleagues? Can you stay on top of things, even when the going gets tough? Nodded to everything? Then apply now!
