

READY FOR? EXCELLENCE!

Our company, parsionate GmbH, with locations in Stuttgart and Hamburg, is focused on developing specific concepts for its clients in order to meet the multiple requirements of their omnichannel strategy as well as to implement them based on well-established standard software products. Parsionate GmbH was founded in 2013 by several long-standing consulting experts and is one of the leading companies for omnichannel, MDM/PIM and e-commerce in Europe.

To strengthen our teams in **Stuttgart and Hamburg** we are looking for

SENIOR PROJECT MANAGER (m/f) **E-Commerce, hybris**

Tasks:

- Manage multiple (hybris) projects or contracts throughout various stages of the life cycle
- Setup appropriate project steering and operational governance
- Provide leadership to diagnose and overcome barriers to team/project progress. Identify project issues, alternative resource plans, and other risks for both the client and our company. Implement mitigation strategies and contingency plans.
- Manage the project scope to ensure that requirements are analysed, documented and agreed upon
- Organize and lead the project team to achieve the project objectives, ensuring that team roles, responsibilities and expectations are understood and fulfilled
- Gather, create and distribute project information to all stakeholders and project team members

What we offer:

- A successful and highly motivated team
- Work with exceptional colleagues in a flat organizational structure and lots of fun
- The chance to take over responsibility for a variety of exciting and interesting tasks
- The opportunity to participate in national and international projects with industry leaders
- Creative freedom for you to share and implement your own ideas and to assume responsibility
- Excellent career development opportunities in a fast-growing company and a competitive compensation and benefits package
- Much more than only a job!

Requirements and qualifications:

- University degree in Computer Science or comparable education and work experience
- 8+ years of experience managing large technology engagements
- A minimum of 5 full life cycle implementations
- Six years of relevant consulting or industry experience
- PMP certification or similar is preferred
- Experience in implementing e-commerce systems ideally on a hybris platform
- Excellent presentation and strong organizational skills
- High level of initiative and self-motivation, ability to pick things up quickly. Proactive problem solving
- Excellent written and verbal communication skills in both English and German
- A willingness to travel up to 60% of the time

Are you looking for an exciting challenge? Are you a cheerful, outgoing and reliable person? Do you enjoy working with a great team? Do you have excellent communication and organizational skills and pride yourself on your razor-sharp analytical skills? Do you love dealing with customers, colleagues and business partners and are you always in control even when things get tough? If you have answered 'yes' to all of the above questions, then please send us your application!
