

# READY FOR? EXCELLENCE!

Our company, parsionate GmbH, with locations in Stuttgart and Hamburg, is focused on developing specific concepts for its clients in order to meet the multiple requirements of their omnichannel strategy as well as to implement them based on well-established standard software products. Parsionate GmbH was founded in 2013 by several long-standing consulting experts and is one of the leading companies for omnichannel, MDM/PIM and e-commerce in Europe.

To strengthen our teams in **Stuttgart and Hamburg** we are looking for

## **SENIOR SOLUTION ARCHITECT (m/f)** **E-Commerce, hybris**

### **Tasks:**

- Provide practical knowledge of ideally all modules of the hybris B2B/B2C e-commerce platform
- Develop and improve best practices, methodologies, processes, tools and templates across the complete project life cycle
- Serve as knowledge expert relating to sourcing “deep dive” solution architecture information, including issues arising from globalization and localization
- Enable and coach the business analysts’ team to efficiently perform the following tasks:
  - Establish and maintain customer relationships
  - Convey project vision and scope to the development team
  - Gather business and functional requirements to support the development of application modules
  - Create and maintain user stories, acceptance criteria and product backlog
  - Prioritize requirements to determine which functionality should be included in which release

### **Requirements and qualifications:**

- University degree in Computer Science or comparable education and work experience
- At least 8 years of experience working as (ideally hybris) Business Analyst or similar roles
- Proven strong experience in the e-commerce industry is considered an asset
- Deep functional and technical knowledge of and implementation experience in any one or more of the following:
  - e-commerce, multichannel/omnichannel
  - Content Management, Master Data Management (Product and Customer)
- Ideally experience in at least one of hybris verticals – retail, food and consumer products, industrial manufacturing or wholesaling, telecommunications, digital, media/gaming
- Some SAP background preferable
- Excellent team player and problem solver with a high level of initiative and self-motivation
- Excellent written and verbal communication skills in both English and German
- A willingness to travel up to 60% of the time

### **What we offer:**

- A successful and highly motivated team
- Work with exceptional colleagues in a flat organizational structure and lots of fun
- The chance to take over responsibility for a variety of exciting and interesting tasks
- The opportunity to participate in national and international projects with industry leaders
- Creative freedom for you to share and implement your own ideas and to assume responsibility
- Excellent career development opportunities in a fast-growing company and a competitive compensation and benefits package
- Much more than only a job!

Are you looking for an exciting challenge? Are you a cheerful, outgoing and reliable person? Do you enjoy working with a great team? Do you have excellent communication and organizational skills and pride yourself on your razor-sharp analytical skills? Do you love dealing with customers, colleagues and business partners and are you always in control even when things get tough? If you have answered ‘yes’ to all of the above questions, then please send us your application!
